

# SOCIAL ENTERPRISES ACTIVE IN THE CIRCULAR ECONOMY AS KEY ACTORS IN THE IMPLEMENTATION OF THE EUROPEAN PILLAR OF SOCIAL RIGHTS

**03.** Equal opportunities

**04.** Active support to employment

**05.** Secure and adaptable employment

**10.** Healthy, safe and well-adapted work environment

**17.** Inclusion of people with disabilities

**20.** Access to essential services

Social enterprises active in re-use, repair and recycling greatly contribute to making the European Pillar of Social Rights a reality. By creating local green jobs and training opportunities for individuals at risk of socio-economic exclusion, they provide a compelling model for an inclusive circular economy.
